

IN SENATE OF THE UNITED STATES.

JANUARY 21, 1846.

Submitted, and ordered to be printed.

Mr. JOHNSON, of Louisiana, made the following

REPORT:

The Committee on Pensions, to whom was referred the petition of Zadok Huntley, report:

That the claim of the petitioner has not been allowed, because his name is not found on the rolls of the regiment in which he alleges to have served. He has produced no evidence that he served in any regiment during the revolutionary war. His application rests alone upon his unsupported statement, and that not upon oath.

The committee, therefore, recommend the rejection of the prayer of his petition.

REPORT OF THE UNITED STATES

January 11, 1919

and of the United States

Mr. Johnson of Louisiana made the following

REPORT

The Committee on Education and Labor of the Senate of the United States of America

has the honor to report to the Senate the results of its investigation into the conditions of the coal mines of the State of Louisiana, and to recommend such legislation as may be deemed proper.

The investigation was conducted by the Committee on Education and Labor of the Senate of the United States of America, and the results of the same are set forth in the accompanying report of the Committee.
